

Material Safety Data Sheet

minusa

Section I. Chemical Product and Company Identification				
Product Name/ Trade Name	VANSIL® W-10		Code	59251
Supplier	R. T. VANDERBILT COMPANY, INCORPORATED 30 WINFIELD STREET NORWALK, CT 06855		- CAS# <u>In case of</u> <u>Emergency</u>	13983-17-0 (203) 853-1400
Synonym	Wollastonite		_	Protective Clothing
Chemical Name	Calcium silicate mineral (calcium metaslicate)		-	
Chemical Family	Inosilicate (chain silicate-structural).			
Manufacturer	R. T. Vanderbilt Company, Inc. 30 Winfield Street Norwalk, CT 06855		S	

Section II. Composition and Information on Ingredients			
Name	CAS #	% by Weight	TLV/PEL
1) wollastonite	13983-17-0	100	As particles not otherwise regulated (PNOR).
Total Product			TWA: 15 mg/m ³ total dust 5 mg/m ³ respirable dust (OSHA) As particles not otherwise regulated (PNOR).

Section III. Hazards Identification	
Emergency Overview	Not an acute hazard. May cause mechanical eye or skin irritation in high concentrations. As with all mineral spills, minimize dusting during clean-up. Do not breathe dust. Prolonged inhalation may cause lung injury. Product can become slippery when wet.
Target Organs	Pulmonary System (chronic risk).

Eye Contact	Flush with plenty of flowing water. Get medical attention if irritation persists.
Skin Contact	Wash off with water.
Inhalation	Allow the victim to rest in a well ventilated area if high concentration is inhaled and mechanical irritation o discomfort occurs. Seek medical attention if irritation persists.
Ingestion	Unlikely to be toxic by ingestion.

VANSIL® W-10

Section V. Fire and Explosion Data		
Flammability of the Product	Non-flammable.	
Auto-Ignition Temperature	Not applicable.	
Flash Points	Not applicable.	
Flammable Limits	Not applicable.	
Products of Combustion	Not applicable.	
Fire Hazards in Presence of Various Substances	Not considered to be flammable.	
Explosion Hazards in Presence of Various Substances	None.	
Fire Fighting Media and Instructions	Product will not burn, use appropriate extinguishing media for surrounding fires.	
Special Remarks on Fire Hazards	Not available.	
Special Remarks on Explosion Hazards	Not available.	

Section VI. Accidental Release Measures		
Small Spill	Use a vacuum to clean up spillage. If appropriate, use gentle water spray to wet down and minimize dust generation. Place in a sealed container.	
Large Spill	Use a shovel to put the material into a convenient waste disposal container. Finish cleaning by spreading water on the contaminated surface and allow to evacuate through the sanitary system. Avoid excessive dust generation. Use respiratory protection in high dust conditions.	

Section VII. Handling and Storage		
Handling and Storage Procedures	No special storage considerations. Handle in ways which minimize dust generation.	

Section VIII. Exposure Controls/Personal Protection		
Engineering Controls	Use process enclosures, local exhaust ventilation, or other engineering controls to keep airborne levels below recommended exposure limits.	
	If local exhaust ventilation is used, a capture velocity of 150-200 fpm is recommended.	
Personal Protection	Safety glasses. Any NIOSH approved filler dust respirator. No special skin protection required. Wash skin if mechanical irritation is experienced.	

VANSIL® W-10

Section IX. Physical and Chemical Properties		
Appearance	White powder.	
Molecular Weight	Not available.	
pH (1% soln/water)	Not available	
Melting/ Sublimation Point	Not available.	
Specific Gravity	2.9 (Water = 1)	
Volatility	Non-volatile.	
Odor	None	
Solubility	Insoluble in cold water.	

Section X. Stability and Reactivity Data	
Stability	The product is stable.
Instability Temperature	Not applicable
Conditions of Instability	None known
Incompatibility with Various Substances	Non reactive.
Corrosivity	Not available.

Routes of Entry	Inhalation. Ingestion.
Acute Effects	
Eye contact	Not a primary eye irritant. May cause mechanical irritation.
Skin contact	Because of the shape of individual wollastonite particles, minor skin irritation may result from prolonge physical contact.
Sensitization	Not a sensitizer.
Ingestion	Not an ingestion hazard.
Inhalation	Inhalation of high concentrations may cause mechanical irritation and discomfort.
Remark	No additional remark.
hronic Effects	CARCINOGENIC EFFECTS: See remarks. MUTAGENIC EFFECTS: None known. TERATOGENIC EFFECTS: None known. DEVELOPMENTAL TOXICITY: None known.

VANSIL® W-10

Remarks

In a NIOSH medical survey of wollastonite workers "no definite association of wollastonite exposure and excess morbidity could be demonstrated". From an update of this study it was concluded that prolonged exposure to excessive wollastonite dust may affect pulmonary function.

Excessive exposure to any dust may aggravate pre-existing respiratory conditions.

Section XII. Ecological Information		
Ecotoxicity	None known.	
BOD5 and COD	Not available.	
Products of Biodegradation	None known.	
Toxicity of the Products of Biodegradation	None known.	
Special Remarks on the Products of Biodegradation	Not available.	

Section XIII. Disposal Considerations		
Waste Information	Not a RCRA hazardous waste. Dispose of according to state or local regulations.	

Section XIV. Transport Information			
DOT	Not a DOT controlled material (United States).		
	Not applicable.		
Maritime Transportation	Not available.		

Section XV. Other Regulatory Information and Pictograms		
TSCA	Listed.	
Other Regulations	Not available.	
Other Classifications	Federal and State Regulations	None
